# next generation SF

**A Bold New Agenda for Our Children , The Future of San Francisco**

**W**e dream of a San Francisco that is a city of opportunity for all. With housing families can afford, good schools for all, good jobs, safe and diverse neighborhoods. And it starts with our children - the 100,000 children who call this city their home, today. They deserve the opportunity to see this dream come to life and become the future families, workers, homeowners & leaders of our city.

**But this dream is threatened, and it will take the whole city to raise the next generation.**

**RALLY \* MAY 12<sup>th</sup> 2007 \* 11-1PM \* SF Civic Center**

**We are calling on the Mayor, the Superintendent, the Board of Supervisors & the Board of Education to Stand With Us on this day & commit to this Agenda:**

- ↪ **A MORE AFFORDABLE CITY FOR FAMILIES:** Build Affordable homes for 3100 families, doubling the mere 1550 planned, by 2011.
- ↪ **GOOD SCHOOLS for ALL:** Dramatically increase the opportunity for *all students* to go on to college or living wage work, with an emphasis on African American, Latino & Pacific Islander students who are currently being left behind.
- ↪ **A CITY THAT INVESTS IN THE SAFETY & ECONOMIC SECURITY OF STRUGGLING FAMILIES:** increase the city budget's investment in quality childcare, family self-sufficiency supports, youth jobs and other violence prevention services, above & beyond current requirements.
