

Fighting for our Children & the Future of San Francisco

RALLY! SAT. MAY 12TH 11-1pm

AT SF CIVIC CENTER

Join us as we call for our city leaders to commit to the next generation of SF:

📣 A MORE AFFORDABLE CITY FOR FAMILIES!

Build Affordable homes for 3100 families, doubling the mere 1550 planned, by 2011.

📣 GOOD SCHOOLS for ALL!

Dramatically increase the opportunity for *all students* to go on to college or living wage work, with an emphasis on African American, Latino & Pacific Islander students who are currently being left behind.

📣 A CITY BUDGET FOR STRUGGLING FAMILIES!

Increase the city budget's investment in quality childcare, family self-sufficiency supports, youth jobs and other violence prevention services, above & beyond current requirements.
